## Safety Tips

Make copies and put in "Sales Kits"

### **Door to Door Sales**

Always sell with a partner or friend, not by yourself.

Always walk on the sidewalk, not on the grass.

Do not go inside anyone's house you don't know, wait at the front door.

Do not lose site of your partner or buddy, work in groups of two.

Do not carry a large amount of cash with you. (Ask for checks)

Never sell after dark.

Always wear a uniform, group t-shirt or badge to identify yourself.

Always say thank you.

### **In Front of a Store**

Do not stand in the street.

Always get permission from the store orders first.

Do not block the entrance to the store or the side walk..
